A Mother's Understanding

Mom, Mom.
Thank you so much for setting
up that blind dinner date.
She's amazing!
She's the one for me alright.

126 minutes and 37 seconds.
The time just flew by.
Not once was she critical of me,
she just sat there patiently listening.

I'm going to *marry her* Mom.
I want her to have my children.

SHE'S
DEAF
SON.

The Perils of Online Dating Realized on First Date

Your profile said you're 5' 8"
but you're wearing 4 inch heels.

Well *your* profile
said you're a
34 DD but I
suspect more
like a 32AA
cup size.

Go ahead, prove to
everyone here
you're NOT wearing
a padded bra.
