

*By pre-planning our
demise, we can save the
living uncomfortable
choices they might
be forced to make.*

*You'll be happy you
saved them some coin,
and they'll thank you
for it later.*

Some budget funeral services have cremations instead of burials, and often provide the bereaved with a hearse, free of charge.

When funeral costs for burial and cremation are prohibitive, the bereaved are left with just one option.
