Well Honey, I simply disagree. Sure you'll have some pain at first, but you'll get used to it. We'd both be happier in the long run.

You've already been approved for the loan.

I say we go to the clinic and see what the experts have to say.

A common fear of husbands: Mistaking an item on the shopping list and then being hung out to dry.

SHE SAID BAKING POWDER NOT BAKING SODA.
