Although extremely accurate, some patients felt slight discomfort from early model rectal thermometers

NOW DROP YOUR DRAWERS AND GRAB YOUR ANKLES. I'M GOING TO TAKE YOUR TEMPERATURE.

After another successful liver transplant, as per tradition, the surgeons relaxed and enjoyed a delicious home cooked meal.

I've said it before and I'll say it again Ruth. With these sautéed Vidalia onions and your world-famous fava beans, I can't tell the difference between the fancy store-bought liver and our "medical waste" here.
